

Maybe You Haven't Heard of TUMBLE BEES.

But Have You Heard How Preschool Age Children Benefit From A Movement Education Program ?

8 CRITICAL REASONS WHY YOUR PRESCHOOLER SHOULD BE ENROLLED IN TUMBLE BEES.

- 1 - Movement education dramatically increases a child's self-confidence !
- 2 - Co-ordination greatly improves through movement exercise !
- 3 - Children build stronger muscles, bones and core stability !
- 4 - Movement helps improve reading readiness !
- 5 - Gross and fine motor skills are developed !
- 6 - Perceptual motor skills are improved !
- 7 - Learning movement skills produces a positive self image !
- 8 - Learning movement skills in a SAFE & success oriented environment is FUN !

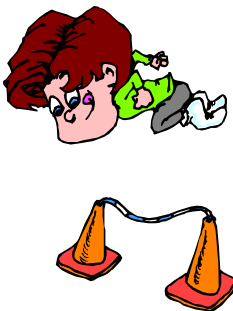

See for yourself just how important and FUN movement education can be for your child!

100% Tuition Back Guarantee

At Kids Sports Academy we feel we offer exceptional programs at a fair price. We also know that we cannot always offer exactly what every child needs at all stages of their development. That is why we offer new members the following guarantee:

If after your child's 4th class, you do not feel like our program will help and benefit your child and you decide not to continue — you will be refunded 100% of your tuition

Call NOW for enrollment details and class availability.
